Dear Sirs :

Facts & Information in relation to The MV Athena Cruise from Falmouth – 10 September 2006

Thank you for your letter of 3 January 2007.

For clarification purposes, could you confirm the following:

1. That any Maritime Health & Safety issues are not dealt with by the HSE;
2. If this is the case, are they always referred to the Maritime Agency?
3. Can you confirm if the HSE has received any complaints either by telephone, letter, e mail or through any other method concerning this cruise?
4. If complaints have been received, could you supply copies of the said communications?
5. With regard to the said communications, can you confirm if these matters have been forwarded to the Maritime Agency?

I look forward to hearing from you within the statutory time limit

Sincerely,

Frank Brehany
Managing Director - HTW
